Senate District 10 is an East Bay district that includes the cities of San Leandro, Fremont, Hayward, Union City, Pleasanton, Milpitas and Newark and part of San Jose, as well as the communities of Castro Valley, San Lorenzo and Sunol.

Senate District 12 is located squarely in California's Central Valley, the counties of Stanislaus, Merced, Madera and San Benito comprise 80% of the 12th Senate Seat. The remaining portion of the district is located in Monterey County. The city of Modesto provides the district's largest population center, followed by Salinas, Merced, Madera, Turlock, Hollister and Ceres.

Senate District 13 is based on an almost complete nesting of AD 22 and AD 24 and consists of the remainder of San Mateo County south of SD 11 and northern Santa Clara County, including the sister cities of Mountain View and Sunnyvale. This district keeps the San Mateo coastline from Pacifica to the Año Nuevo State Reserve and peninsula cities from South San Francisco to Sunnyvale together. South San Francisco is the only city split to achieve population equality.

Senate District 15 is comprised of 950,000 residents and encompasses a large portion of Santa Clara County, stretching from Cupertino east to Mount Hamilton and from Los Gatos north to San Jose's Alum Rock District. The cities of Cupertino, Los Gatos, Campbell, Saratoga, Monte Sereno, and the San Jose communities of Willow Glen, Almaden, Evergreen, East San Jose, and Downtown are included within the district. The district also contains vast rural expanses of unincorporated areas that extend to the Santa Cruz Mountains and the Stanislaus County border.

Senate District 17 is based on nesting AD 29 and AD 35 and contains Santa Cruz and San Luis Obispo Counties in their entirety, as well as portions of Monterey and Santa Clara Counties. The cities include Santa Cruz, Watsonville, Gilroy, San Luis Obispo, Morgan Hill, Seaside, Paso Robles, Atascadero, Monterey, and several more smaller cities. A small portion of San Jose was included in this district to achieve population equality. The district is one of two Senate districts containing part of Monterey County and was drawn in part to comply with Voting Rights Act Section 5 requirements.

The district links the western portion of Monterey County with areas to the south in a primarily coastal district. Strongly shared interests within the district include regional agricultural economies, coastal and open space preservation, and environmental protection. The Monterey Bay coastline is fully contained within the district. Additionally the southern portion of the district includes a major portion of the Monterey Bay National Marine Sanctuary, which extends to Cambria in San Luis Obispo County. Similar to the adjacent Section 5 district, it was not able to be fully nested due to the need to meet the Voting Rights Act requirements.
