

Hello Administrators and/or Licensees of CCL Licensed Residential Services,

Hope you were all able to take part in DDS' webinars last week on the new DSPT web site for registration and certification verification. Many providers emailed us at San Andreas to say that they found the webinar helpful.

We wanted to pass along the enclosed additional information regarding DSPT courses in the San Jose area. Another provider of DSPT courses is also working to secure a site for her courses. We hope to have her course schedule to you soon as well. Please remember that you will need to visit the following website in order to register for the courses; [www.dsptrain.org](http://www.dsptrain.org).

Thanks,

Jeff
