Dear friends,

You are cordially invited to attend San Andreas Regional Centers Grand Opening / Ribbon Cutting Ceremony at our new location in south San Jose. After 28 years at our Campbell location, it was time for us to say goodbye. Frankly, we could no longer afford the rent in what is now a vibrant Campbell.

Our new address, and where our Grand Opening will take place, is 6203 San Ignacio Avenue. It is in South San Jose near the 85/101 interchange. Bus line 42 stops in front of our building and the light rail (Santa Teresa line) ends .8 miles from our facility.

We look forward to having you attend our Grand Opening on September 30th beginning at 11:00am and going till 2:00 pm. Please feel free to email Francisco Valenzuela at: Fvalenzuela@sarc.org for any additional information.
