(B.) Required Public Policy Performance Measures

10. Outcome (Disparity Measures): Progress in reducing disparities and improving equity in purchase of service* expenditures.

Note: The most recent data available is from FY 2016. Please see the FY 2016 Purchase of Service Disparity report and datasets for further details.

* Based on purchase of service expenditures.

(a) % total annual purchase of service expenditures by primary language:

English	79.23%
Spanish	12.68%
Vietnamese	3.37%
Chinese	01.46%
Tagalog	00.69%
Other	2.1%

(b) Number and % of individuals receiving only case management services by age and ethnicity*:

Ethnicity	0 - 2	3 - 21	22+	Total #	Total %
Asian	27 (4.5%)	494 (26%)	106 (10%)	627	17.6%
Black	1 (12.5%)	34 (25.6%)	36 (14.7%)	71	18.4%

Hispanic	97 (4.9%)	238 (11.2%)	238 (11.2%)	1189	16.3%
Native American	0 (-%)	2 (100%)	4 (16.7%)	6	23.1%
Other	26 (4.2%)	284 (29%)	64 (12.7%)	374	17.8%

(d) Competitive Integrated Employment Incentive Program

- (i) Average wages and hours worked for adults engaged in competitive, integrated employment, on behalf of whom incentive payments have been made:

	Average Wage	Average Hours
Salaried	N/A	N/A
Hourly	\$11.74/hour	23 hours/week

- (ii) The number and percentage of adults on whose behalf \$1000 (30 days), \$1250 (6 months), and \$1500 (12 months) incentive payments were made for the fiscal year:

\$1000	108	1.2%
\$1250	63	0.7%
\$1500	34	0.4%

(e) Percentage of adults who reported having integrated employment as a goal in their IPP: [National Core Indicators not yet released](#).

Goal	Ensure that individuals with developmental disabilities are afforded the opportunity for competitive integrated employment as adults.
Activity A	Partner with County Offices of Education, Special Education Local Plan Areas, and school districts to focus Individual Transition Plans on pre-vocational and vocational skills as part of the Individual Education Plan process.
Activity B	Partner with local businesses and corporations to increase the number of paid integrated work opportunities available.
Activity C	Partner with the Department of Rehabilitation to increase the number of individuals receiving and successfully transitioning from supported employment.
Activity D	Insure that adult day programs focus on vocational opportunities through partnerships, trainings, and quality assurance.
Activity E	Increase the number of individuals earning income by tracking the number of individuals with earned income, their annual wages, and their earnings compared to the statewide average for people with developmental disabilities.
Activity F	Administer and increase participation in the Paid Internship Program by tracking the number and percentage of individuals placed in competitive, integrated employment following participation; their average salaried wages and hours worked per week during the internship and for those on whose behalf incentive payments have been made following the internship; and the total number of \$1,000, \$1,250, and \$1,500 incentive payments have been made.
Activity G	Increase the number of adults who have competitive integrated employment as a goal in their Individual Program Plan by tracking the percentage of adults who have said goal in their IPP.

C. Local Measures

San Andreas Regional Center 2019 Performance Contract: Proposed Outcomes and Activities

Public Policy Performance Measures

All information in this report uses data sent from DDS on **July 13, 2018.**

Total active individuals: 17,166

Minors (0-17 years): 8,353

Early Start: 2,501

Adults: (18+ years): 8,808

There was a net increase of over 700 adults between FY 2017 and FY 2018. Both School-Age and Early Start saw net increases of approximately 200 each.

Performance as of June 30, 2018

1. Caseload in Developmental Centers:

5 persons total; 0.02% of total population.

Statewide average: 0.16%

*This number is currently 2, or 0.01%

SARC has the smallest percentage of cases placed in developmental centers statewide.

2. Minors residing with families:

8,269 minors total; 98.99% of total minors.

Statewide average: 99.34%

Performance (cont.)

3. Adults residing in independent living:

645 total adults; 7.32% of adults.

Statewide average: 10.56%

4. Adults in supported living:

529 total adults; 6.01% of adults

Statewide average: 5.45%

Cost of living remains a significant factor in being able to provide this service, though both saw small overall increases in total numbers.

Performance (cont.)

5. Adults in Adult Family Home Agencies:

49 total adults; 0.56% of adults

Statewide average: 0.97%

This is an increase due to being able to help new providers open their doors.

6. Adults in family homes:

5,691 total adults; 64.61% of adults

Statewide average: 62.93%

Performance (cont.)

7. Total adults in home settings:

6,914 total adults; 78.5% of adults

Statewide average: 79.9%

8. Minors in facilities serving more than 6:

2 total minors; 0.02% of minors

Statewide average: 0.05%

Statewide there has been an increase in children in such facilities; both of SARC's cases represent children placed by Social Services, not SARC.

9. Adults in facilities serving more than 6 (excluding DCs):

138 adults total; 1.57% of adults

Statewide average: 2.39%

This is a decrease for SARC, representing in part the development of new alternative residential care treatment options as alternatives or to prevent returns to locked acute psychiatric care.

Performance – Local Measures

10. Reducing disparities and improving equity in purchase of service expenditures.

(a) % total annual purchase of service expenditures by primary language:

Disparity Activities

- ▶ Hired a permanent staff position to work on community outreach, cross-cultural training, and disparity.
- ▶ Hired additional service coordinators with an emphasis on language skills.
- ▶ Expanded our Santa Clara County adult services to include another case management unit.
- ▶ Purchased new interpretation technology.
- ▶ Partnered with community organizations to deliver advocacy training.

Performance – Local Measures

11. Outcome: Increase competitive integrated employment among adult individuals served by the regional center.

- (a) Total number of local partnership agreements per county: 1 with Santa Clara and Monterey counties and 1 with Santa Cruz and San Benito counties.

Performance – Local Measures

11. Outcome: Increase competitive integrated employment among adult individuals served by the regional center.

(b) Earned Income

(i) Number and percentage of individuals, ages 16-64, with earned income: 1,047, or 11.8%

(ii) Average annual wages for individuals, ages 16-64: \$11,122

(iii) Annual earnings of individuals ages 16-64 compared to all people with disabilities in California: +28%

While fewer SARC clients worked than the state average (14.5% of individuals 16-64), they earned nearly \$2,500 more on average.

Performance – Local Measures

11. Outcome: Increase competitive integrated employment among adult individuals served by the regional center.

(c) Paid Internship Program

- (i) Number and percentage of adults who participated during the fiscal year: 83 total, or 0.9%
- (ii) Number and percentage who were placed in competitive, integrated employment following participation: 13 total, or 16% of participants
- (iii) Average hour or salaried wages and hours worked per week:

Salaried: \$0.00, with 0 hours

Hourly: \$11.88/hour, with 14 hours/week

Performance – Local Measures

► 11. Outcome: Increase competitive integrated employment among adult individuals served by the regional center.

(d) Competitive Integrated Employment Incentive Program

- (i) Average wages and hours worked for adults on whose behalf incentive payments were made:

Salaried: \$0.00, with 0 hours/week

Hourly: \$11.74/hour, with 23 hours/week

- (ii) Number and percentage of adults on whose behalf incentive payments were made for the fiscal year:

30 days (\$1,000): 108 total, or 1.2% of adults

6 months (\$1,250): 63 total, or 0.7% of adults

12 months (\$1,500): 34 total, or 0.4% of adults.

In other words, of the 108 individuals eligible for initial incentive payments, 58% held their job for six months, and 31.5% held their job for a full year.

Performance – Local Measures

- ▶ 11. Outcome: Increase competitive integrated employment among adult individuals served by the regional center.

(e) Percentage of adults who reported having integrated employment as a goal in their IPP: National Core Indicators are pending.

Performance – Local Measures

12. Center for Medicare and Medicaid Services Home and Community Based Services Final Rule
