RE: Early Start Diagnostic Evaluations Coordinator for San Benito County - Request  
for Proposal

#### Service Description

There has been a service disruption in San Benito County which has created a challenge to assess and serve children between zero and three years of age in accordance with state and federal regulations for Early Start ("Part C").

San Andreas Regional Center is interested in contracting with a service provider who is qualified and able to provide Early Start Diagnostic evaluations for Early Start services. Referrals for intake evaluations will be jointly determined with San Andreas. The evaluations will include the assessment of the mandatory areas of the infant/child's development to include vision and hearing. The service provider will participate in the IFSP team and will provide written reports to the team prior to the meetings.

The service provider chosen through this RFP process shall;

1. Complete the initial evaluation and assessment within 45 days of referral.
2. Provide referral and assessment related services, database management, tracking; initial screening/contact and preparation as well as full assessment services for all San Andreas referrals.
3. Forward all information to the school district for completion of assessments and notify San Andreas and the family of this referral if the child being referred is 2.9 years old.

4. Ensure evaluations are done by qualified personnel per Early Start Program (ESP) regulations regarding the child's level of functioning in the following developmental areas; cognitive, adaptive, social / emotional, communication, motor, health, vision and hearing.
5. Ensure that procedures and materials for evaluation and assessment of the child shall be selected and administered so as not to be racially or culturally discriminatory.

All services provided are to be in compliance with IDEA Part C; California Code of Regulations, Title 5; California Early Intervention Services Act; Title 17, Division 2, Chapter 2 – Early Intervention Services. The service need is year round. The service provider's professionals conducting the intake and assessments will have early intervention experience, the required educational levels and be credentialed according to Title 17 regulations.

The initial evaluation assessment and Individual Family Service Plan (IFSP) of each child must be completed within 45 days of the referral and not exceed 8 hours total. The service provider chosen through this RFP process, along with San Andreas and the child's family, will discuss eligibility at the multi-disciplinary IFSP team meeting. If eligibility cannot be determined within the required time, the service provider shall perform the following, and document each:

1. Identify the exceptional circumstances in the child's record.
2. Inform the parent of the reason for the delay.
3. Inform the parent of an alternative, specific date for completion of assessment.
4. Confirm that the parent is in agreement with the above conditions and obtain a signed extension.
5. Develop an interim IFSP.

Service provider shall develop and maintain a computer tracking system for generation of statistics and required reports. Service provider shall maintain records for audit purposes. Records shall include; the name of each child referred and evaluated, billing records and personnel records. San Andreas will be responsible for mediation and due process relative to determination of eligibility.

Service Provider should be able to start coordinating Early Start Evaluations in San Benito County no later than 09/14/20.
