RE: Enhanced Behavioral Support Home For Children (Residential Care Provider)
- Request for Proposal SARC 2021-2

Type of Program: One (1) Enhanced Behavioral Supports Home (EBSH) for four children/adolescents.

Geographic Location(s): Location of home may be in any one the four counties that San Andreas Regional Center provides service (Santa Clara, Santa Cruz, San Benito or Monterey County)

Contract Award: Startup funding up to \$200,000

Service Description:

San Andreas Regional Center (SARC) will contract with an experienced provider of residential services to operate an Enhanced Behavioral Support Home (EBSH) that will serve four (4) children with developmental disabilities and co-occurring mental illness. EBSH's are intended to serve a maximum of four (4) residents, each of whom requires 24-hour non-medical care in a home setting due to their enhanced behavioral support needs.

These homes exceed the minimum requirements of level 4I facilities and have additional staffing, supervision, and consultation, and they shall utilize enhanced techniques/strategies to address challenging behaviors and support needs.

The facility will provide services to children/adolescents requiring significant

mental health supports, behavioral supports, and crisis support services, who are frequently hospitalized or at risk of hospitalization as a danger to self or others, and whose families may be struggling to maintain them in their homes. The home will offer or arrange comprehensive person-centered services, psychiatry, positive behavioral interventions, and trauma-informed care.

Children/adolescents may need support in some or all of the following areas: emotional self-regulation, anger management, developing coping skills, forming and maintaining healthy attachments (including safe/appropriate sexual behavior and boundaries), compliance with probation/diversion plans, and/or substance abuse prevention, medication management, health care, and access to mental health services.

The service provider is required by statute to have a board-certified behavior analyst or qualified behavior modification professional on-staff or contract for monthly observation and treatment recommendations for each child/adolescent at least four times per year unannounced. All direct service staff must become Registered Behavior Technicians and meet all ongoing requirements for certification.

The service provider will be required to obtain a license as a children's residential facility from the California Department of Social Services Community Care Licensing division and will be answerable to all applicable statutes and regulations, including those currently under development upon their publishing.

The age range of children/adolescents is 10 – 17 years old. Each will have his/her own bedroom.

The home is owned by a Non-Profit Housing Organization (NPO). The residential provider awarded this contract will lease the property from the NPO and also pursue licensure of the home through Community Care Licensing.

Potential providers must have prior demonstrable experience including:

- Supporting people with I/DD, particularly children and adolescents;
- Supporting people with I/DD, particularly children and adolescents, with developmental disabilities with co-occurring mental health diagnoses;
- Supporting people with I/DD, particularly children and adolescents, who may exhibit severely challenging behaviors, including assaultive behavior.
- Owning or operating a Level 4 Adult Residential Facility (ARF), Specialized Residential Facility (SRF), Enhanced Behavioral Support Home (EBSH), Children's Residential Facility (CRF) or providing supported living services;
- Working with social service community based agencies and resources;

- Working with people with I/DD, including children and adolescents, who are; in crisis, requiring hospitalization, or at risk of frequent hospitalization;
- Working with and arranging services for individuals with I/DD, including children and adolescents. Services include: local schools, school districts, families, mental health systems and providers, behavioral supports, and potentially the criminal justice system;
- Successfully providing 24/7 care, support and supervision.

A provider must be able to work collaboratively with others in a multi-agency, interdisciplinary configuration (e.g. other regional centers, mental health systems, school districts, etc.) for the successful support of the individual.

Applicable or Relevant Statutes and Regulations: California Welfare & Institutions Code Chapter 6, Article 3.6 (§4684.80 through §4684.87) and Article 6 (§4695 - §4695.2); Title 17 California Code of Regulations §§56001 – 56067; and all other applicable federal and California statutes and regulations, including those not yet promulgated.

Key Objectives:

1. Enter into start-up and on-going services contracts
2. Work collaboratively with non-profit housing corporation(s) to secure and renovate property
3. Prepare the facility for service and licensure
4. Submit a full program design for approval by San Andreas Regional Center and the Department of Developmental Services
5. Hire and train staff
6. Contract with appropriate and approved licensed consultants
7. Obtain licensure
8. Be prepared for admission and operation by **October 1, 2021**

Preferred Provider Requirements:

1. Owner/operator of a level 4 adult residential facility or a comparable facility
2. Previous experience working with mental health, the courts, and/or Community Placement Program
3. Demonstrated ability to work collaboratively with multi-agency, multi-disciplinary teams in an environment under marked regulatory scrutiny

Program Design General Requirements:

1. Licensed as a children's residential facility
2. Maximum of 4 children/adolescents
3. 24-hour non-medical care
4. Shall exceed minimum requirements for level 4I facility as defined by law

5. Individual and facility rates:
 - a. Individual rates shall include staffing, consultants, food costs and incidentals incurred on a per-resident basis
 - b. Facility rates shall include the lease and constant operation
6. Behavior supports plan within one week of admission
7. Monitoring required by regional center qualified behavior modification professional at least monthly, four of which are unannounced
8. Vending regional center and each client's regional center shall have joint responsibility for monitoring and evaluating the services provided
9. Monthly case management and quarterly quality assurance visits, at minimum, is required
10. Certified by DDS and licensed by DSS - must be certified by DDS prior to licensure
11. DDS and regional centers to provide documentation to DSS
12. If DDS decertifies a home, DSS shall revoke the license
13. Must be eligible for federal funding
14. Adherence to forthcoming DSS regulations to address, at minimum, staffing structure, staff qualifications, and training
15. Health and Safety 1567.64: Requires a minimum of 16 hours of emergency intervention training, including positive behavioral supports and techniques for all staff
16. Health and Safety 1567.65: If DSS determines that urgent action is necessary to protect a consumer residing in an EBSH, it shall notify DDS. DDS may request that the regional center or centers take action within 24 hours, which may include, as appropriate, the removal of a consumer from the home or obtaining additional services

Proposals may be submitted by for-profit or non-profit corporations.

Board members and employees of regional centers are prohibited from submitting proposals. Refer to Title 17 regulations, Section 54314 for a complete list of ineligible applicants.
