### Some tips for behavioral issue:

Here is a few thing that will help:

- Favorite snacks may help
- Have some activities to keep them occupied while waiting.
- If possible, wear a tank top, no sleeve at all (easier than having to roll up even a short sleeve)
- If pre-medication is possible and an order is in place this could help alleviate anxiety.
- Face shields may be worn instead of masks
- **This is a WALK IN clinic. No Drive thru**

## **\*\*IMPORTANT REMINDERS for all Participants\*\***

- Participants are seen by appointment only.
- Fill out the Consent Form prior to appointment
- Bring medical and prescription insurance card to clinic
- Please bring proof of eligibility to the appointment (ID). Anyone who shows up for an appointment and are not from a qualified phase and tier priority group will be denied a vaccine.
- Wear short sleeve shirt if possible
- Do NOT attend clinic if you are feeling unwell or experiencing COVID symptoms
- Face Mask must be worn at all times
