Health services also started doing fit testing in June for the SARC employee requesting to wear N95 respirator masks. This has been completed on a total of 5 SARC employees so far.

SARC did not have a dedicated PPE donation Day at any of our offices in the last month. We always try our best to accommodate special requests by providers or families. Two ways to do so:
1. Contact your liaison SC or Nurses
2. Email to SOE@sarc.org and mention in subject line “PPE”.

In June we provided PPE to 2 families and 3 providers in San Jose and gave 34 bags to First Transit to deliver to consumers in the Santa Cruz area.

In July we had no PPE Requests in San Jose, and provided 67 bags to First Transit for the Santa Cruz consumers.
