**Adjournment**
The meeting was adjourned at 11:15 a.m.
The meeting was called to order at: 2:35 p.m. by Ms. Christine Gianola Committee member via Zoom.

1. The committee reviewed the Adult Day Programs, Conference and Request for Proposal (RFP) Policies. No revisions were done to the Adult Day Programs, and Conference Policies. The RFP was revamped to look like our standard policies and not like the procedure as it stands now.

**REQUEST FOR PROPOSAL POLICY**

I. *Purpose:* It is the intent of San Andreas Regional Center to engage and secure qualified service providers through the Request for Proposal (RFP) process in compliance with California Code of Regulations, Title 17. RFP applicants must submit service proposals and other required documents as well as participate in an interview process to determine the most qualified and capable provider for a specific service.

II. *Policy:*

A. *Guidelines*

San Andreas Regional Center (San Andreas) may open a Request for Proposal (RFP) cycle in response to one of the following scenarios:

1. Community Placement Plan/Community Resource Developmental Plan Start-Up funding is available for an identified, needed service*,

2. A RFP is required to identify a new provider for a specific service according to California Code of Regulations, Title 17, i.e. a Family Home Agency, and/or

3. The vendorization process has revealed that the service being vendored will result in a rate that exceeds $250,000 annually.

Current and potential service providers are encouraged to utilize the RFP process to submit applications for services and supports that reflect the description of current needs for Individuals Served by San Andreas.
*No RFP will be required when start-up funding is available for a multi-family housing project through the Community Resource Development Plan (CRDP), CA Welfare and Institutions Code Sections 4418.25 and 4679 [Enclosure A], and when:

- The CRDP funding for multi-family housing results from a request from the community for the service pursuant to CRDP provisions for such community requests
- The multi-family housing developer, and grantee of the start-up funding, has been specifically identified in San Andreas' CRDP proposal submitted to, and approved by, the Department of Developmental Services (DDS)

B. Equity and Diversity in the RFP

An RFP prepared by San Andreas to develop or provide services and supports for Individuals Served shall include a section addressing equity and diversity, per Welfare and Institutions Code (WIC) Section 4648.11.

For the purposes of an RFP, culturally and linguistically diverse populations include, but are not limited to, Individuals of varying race, ethnicity, preferred language, sex, sexual orientation, gender identity, religion, age, physical disability, or mental disability.

C. RFP Process

1. Development of RFP

An internal review of service and program needs may be conducted by San Andreas leadership, their designees, and/or the Community Services department. Proposed needs will be reviewed for prevalence, intensity, and any other criteria deemed appropriate by leadership or the funding source. Upon selection of the need(s) to be addressed, an RFP will be developed by designated staff and approved by leadership for distribution. The RFP shall contain, at minimum, a statement of need, an explanation of requirements, and an explanation of criteria for consideration.

2. Announcement of RFP

The RFP(s) shall be published and distributed by email lists, publication on the San Andreas website, written or verbal advertisement, and/or other means as appropriate and approved by San Andreas leadership. This publication shall include a deadline and preferred or required manner of submission. San Andreas reserves the right to solicit proposals from identified providers appropriate to the need(s) identified in the RFP.

3. Review of RFP

A committee of San Andreas staff shall review each written proposal submitted by the specified deadline. Selection of interviewees shall be by a simple majority of the committee.

All providers being interviewed shall be asked the same questions regarding the proposal; follow-up questions may vary based upon provider responses to the standard questions. Interviewee responses shall be given a score on a Likert scale and weighted according to specified criteria within the RFP. Interviewees will then be ranked by Likert score and qualitative impressions by the committee.
4. **Awarding of Contract to Selected Applicant**

The selected proposal shall be notified and proceed with the service and vendor agreement process with the Community Services department. San Andreas reserves the right to not award the RFP to any applicant and to engage in further requests at its discretion.

D. **Conflict of Interest**

Any proposal from which a member of the San Andreas Board of Directors, San Andreas executive leadership, a member of the review committee, and their family members, may derive financial benefit shall be excluded from consideration. No employee of San Andreas shall participate in the service development or vendor agreement contract process stemming from a winning proposal in which they have a financial or familial interest.

**DDS Approved July 5, 2019**

**Board Adopted January 22, 2020**

**Board Review October 5, 2021**

2. **Policy Tracking List**

   Policies to be reviewed next: November 2, 2021

**E. Highlights:**

**Certificate of Achievement:**
No certificates given the month of September 2021

**III. Health Services:**

*A. Health-Related Trainings Presented by San Andreas Health Services Unit:*
There have not been formal training classes with providers In August or September. Health Services Coordinator and Associate provide information and answer questions during the Provider Information calls with SARC.
Health services associate coordinator provided mandatory training on re-opening plan and PPE has mandated by OSHA to all SARC employees.

B. Current projects/activities:
In an effort to help make everyone safer, COVID testing is done weekly in the San Jose and Salinas office. Testing is open to employees, family members, care providers and consumers.

PPE DONATION:
Health services also started doing Fit testing in June for the SARC employees requesting to wear N95 respirator masks. We have had a few employees requesting the fit test due to various reason.

SARC had PPE donation day for San Jose Families on August 14th and for San Jose providers on August 13th, and Watsonville on August 24th. Along with PPE supplies, Backpack donation containing Hand sanitizer bottles were giving to families that registered.

San Jose Office:
170 providers registered for the donation day and over 300 families for the Saturday August 14th registered and received PPE and backpacks.

Watsonville Office:
7 providers received PPE and 70 families received PPE and Backpacks.

We always try our best to accommodate special requests by providers or families. Two ways to do so:
1. Contact your liaison SC or Nurses
2. Email to SOE@sarc.org and mention in subject line “PPE”.

Vaccination clinic
No other vaccination clinics at this time were scheduled or planned. The Pfizer 3rd dose or Booster is available for specific population and criteria, some of our homes were approached by previous vaccination pharmacy to schedule the booster

Covid infection:
August SARC was notified of 16 cases of Covid Positive consumers
5 cases in ARF (all vaccinated except 1 consumer)
5 cases in ILS/SLS
7 cases living with family

September, SARC was notified of 23 Covid Positive cases within our population served.
7 cases in ARF (1 was not vaccinated under 12-years-old)
3 cases in ILS/SLS
11 cases living with family
3 cases in ICF-DDN (all vaccinated and all hospitalized with moderate symptoms)
Some infections of Covid were directly transmitted by asymptomatic staff, and in other
cases we could not figure out from where the Covid was acquired? Maybe visitors,
family, attending day program or school, contamination in community?

C. Highlights:
In September DDS gave the mandate to have all personnel in the Regional Center and
agencies vendored and providing services to our consumers to be fully vaccinated or to
have an exemption (religious belief or medical) in place for each case.
The deadline to have everyone vaccinated or applied for an exemption is November 30,
2021.

IV. Supported Living Services (SLS):
A. SLS QA’s:

One Quality Assurance review was completed in August. The staff and participant files
were missing several items. One staff and participant interview were completed. The
participant is very happy with the services and the staff member reported she is well
supported by the agency.

There was no Quality Assurance review done for the month of September. One QA was
scheduled but the agency had a recent fire which damaged all the documentation to be
reviewed. Therefore, the Resource Specialist consulted with case management to
request an update about the agency. Case management reported the two participants
they are serving are satisfied with the services. Case management also receives reports
in a timely manner and consistent communication from the agency. There were no
concerns reported.

B. SLS Roundtable: Resource Specialist, Mary Lynn Rochlitz, presented the following
information at the August 11, 2021, Roundtable.
