Senate District 10 is based on nesting AD 24 and A D 26 and 680 and Highway 4. includes portions of Alameda and Santa Clara Counties, including the whole Cities of Fremont, Hayward, Milpitas, Newark, Sunnyvale, Santa Clara, and Union City, and portions of the City of San Jose. The City of San Jose wa s split to balance popula tion while considering communities of interest, such as uniting the northern neighborhood of Berryessa with similar communities to the north. Many Silicon Valley-based communities are brought together in this district, representing a large population that works in the tech industry. This district is home to large immigrant Asian American communities that share similar cultures and languages.

Senate District 13 is based on nesting AD 21 and AD 23 and includes portions of San Mateo and Santa Clara Counties, including the whole Cities of Belmon t, Brisbane, Burlingame, Campbell, Cu-pertino, East Palo Alto, Foster City, Half Moon Bay, Los Altos, Menlo Park, Millbrae, Monte Sereno, Mountain View, Pacifica, Palo Alto, Redwood City, San Carlos, San Mateo, Saratoga, the towns of Atherton, Hillsborough , Los Altos Hills, Los Gatos, Portola Valley, and Woodside, and portions of the Cities of San Bruno and South San Francisco. Splits in cities and counties in this district are made to balance population while considering communities of interest, to keep So uth San Francisco, Daly City, and Redwood City areas together. The district includes rural coastal communities on the western side of the ridgeline of the Santa Cruz Mountains and more urban communities on the Bay side, closer to Highway 101. Communities i n this district share a transit corridor and access to Caltrain and other modes of transportation, have ties to the tech industry, and include areas of great economic disparity. This district's communities face transportation and housing challenges.

Senate District 14 is based on nesting AD 27 and AD 31 and includes portions of Fresno, Madera, Merced, and Tulare Counties, including the whole Cities of Atwater, Chowchilla, Coalinga, Dos Pa-los, Firebaugh, Fowler, Gustine, Huron, Kerman, Los Banos, Madera, Mendota, Merced, Orange Cove, Parlier, Reedley, Sanger, San Joaquin, and Selma, and portions of the Cities of Fresno and Liv-ington. This district is located in areas where there are obligations under Section 2 of the Voting Rights Act. Splits of counties and cities are m ade to meet those obligations and to Interstate 5 balance population in neighboring districts, while considering communities of interest. Many of the cities in this district run along the main transportation routes of and Highway 99, and share interests in the food processing economy, water, and agriculture. These are largely Latino and immigrant communi-ties that confront infrastructure challenges and concerns related to healthcare

Senate District 15 is based on nesting AD 25 and AD 28 and includes the majority of Santa Clara County, including its rural and agriculturalbased communities. This district also includes the whole Cities of Gilroy and Morgan Hill, and portions of the City of San Jose. San J ose wa s split to balance the population in the eastern part of Santa Clara County. Linked by Highway 101, communities in this district have 70common interests associated with language access, healthcare, infrastructure, and housing.

Senate District 17 is based on nesting AD 29 and AD 30 and includes the whole Counties of Monte-rey, San Benito, Santa Cruz, and portions of San Luis Obispo County, which s split to balance popula-tion, but ke eps together small coastal communities and cities. This district includes the whole Cities of Arroyo Grande, Atascadero, Capitola, CarmelbytheSea, Del Rey Oaks, El Paso de Robles (Paso Robles), Gonzales, Greenfield, Hollister, King City, Marina, Montere y, Morro Bay, Pacific Grove, Pismo Beach, Salinas, Sand City, San Juan Bautista, San Luis Obispo, Santa Cruz, Scotts Valley, Sea-side, Soledad, and Watsonville. This coastal district includes a mix of urban and suburban cities and rural communities. Shared interests include agriculture, tourism, and marine conservation. The district also includes the largest protected marine sanctuary in the United States and universities renowned in the biological sciences, including Santa Cruz and C alifornia State University, University of Califor-nia, Monterey Bay.
