

TRANSITION SUPPORTS

Optional transition supports available for SDP participants

[SARC Website](#)

OVERVIEW

Participants transitioning into SDP can receive up to 40 hours of Self-Directed (099) supports provided by a vendored 099 provider. Soon, participants will also be able to access Self-Directed (099) supports through non vendored providers via Participant Directed Services.

Participants may also receive additional financial transition support (FTS) provided by their financial management service provider. Please contact your SC to learn more about FTS supports.
